

Completing CIF C19 Registration & Induction

This induction can be completed using a PC, Laptop, Tablet or Smartphone.

However, please note, if you have an older smartphone it may restrict you from completing the induction and you will be met with a blank screen when you enter the link below.

Go to: <https://id.gocontractor.com/register>

Enter your mobile phone number or email address. Tick 'I'm not a robot' and click 'Proceed'.

The image shows a screenshot of the GoContractor registration page. The page has a blue and white color scheme. In the top left corner, there is a logo for 'GOCONTRACTOR'. In the top right corner, there is a language selection dropdown menu set to 'English (US)'. The main content area features a white registration form titled 'Register for GoContractor'. The form includes a text input field labeled 'Phone or Email'. Below the input field, there is a checkbox labeled 'I'm not a robot' and a reCAPTCHA widget. A blue 'Proceed' button is located below the form. At the bottom of the form, there is a link that says 'Have an account? Login'. The background of the page is a blue-tinted image of a construction site with scaffolding and a worker.

As there are two ways to register (mobile phone number or email address) both methods are explained in this document:

- *Page 2 - Explains how to register using your email address*
- *Page 4 - Explains how to register using your mobile phone number*

If you entered an email address to register – You will be directed to a registration page, complete the details on this page, tick the two boxes at the bottom and click Submit.

Enable your camera to complete the course

To verify your identity, CIF Online C19 Induction requires that you grant access to your camera while you take this course
Your photo will be taken several times during the course. Ensure your face is clearly visible, or your course certificate may be considered invalid

Click 'Start Course' to proceed. Click the play icon ► when it appears and your induction course will begin.

The induction course takes about 10 minutes. At the end of the course click Next (you may have to scroll down for this), you will then be asked a number of questions in order to complete the induction.

Once completed, you should be redirected back to the portal where your digital card should appear.

At this point it is important to note the **verification code** on your screen.

The digital card and verification code confirm that you have successfully completed the programme.

You will need this to access site so it's important to keep the digital cert on your phone at all times (the verification code on its own will suffice if you do not own a smartphone)
